

Adapteo Group appoints new head of business area – recruits managing director from Aviator Sweden

Adapteo Group has ambitious growth plans and is strengthening its group management team through the recruitment of Ola Skogö as the new Head of Business Area Finland, Norway and Denmark. Most recently, Ola held the role as Managing Director at Aviator Sweden, an aviation service provider offering ground services to Swedish airports and airlines. Prior to that, he held several executive level roles at the facility management service company Coor, both in Sweden and internationally.

Adapteo, the leading company in adaptable and circular space solutions, is on a rapid growth journey. Recently, Goldman Sachs Asset Management was announced as Adapteo's new owner. To further strengthen the Group management team, Ola Skogö joins the company in the new role as Executive Vice President Finland, Norway & Denmark and will be responsible for the Finnish, Norwegian and Danish markets. He will be a part of Adapteo Group's management team and report to President and CEO Philip Isell Lind af Hageby.

"I am happy to welcome Ola to Adapteo's Group management team, and I am confident that he will contribute greatly to our Nordic business area. He has an impressive commercial background from several leading roles at customer-focused service companies. The recruitment of Ola, together with our new ownership structure, gives us even better conditions to offer the highest level of service to our customers and become Europe's leading adaptable space partner", says Philip Isell Lind af Hageby, President and CEO of Adapteo Group.

"I look forward to being a part of Adapteo and their growth journey in the Nordics. It is a strong team, and flexible and circular building solutions will become an even more vital part of infrastructure in the Nordics", says Ola Skogö, Executive Vice President, Finland, Norway & Denmark at Adapteo.

Ola Skogö entered the role on October 11, 2021.

About Ola Skogö

Adapteo in brief

Adapteo is the leading adaptable space partner in Northern Europe. We develop, build, rent out and sell adaptable buildings for schools, daycares, care centres, offices, and accommodation. With our modular and circular building solutions, our customers can transform, repurpose, scale up and scale down based on their changing needs. That is how we build adaptable and sustainable societies. Adapteo has a building portfolio of 1.3 million square metres and operates in Sweden, Finland, Norway, Denmark, Germany, Belgium, the Netherlands and Lithuania. A majority of our revenues is generated by rental contracts from the public sector.
